TRAFFIC ALERT

BROADWAY – EUCLID AVENUE TO COUNTRY CLUB ROAD IMPROVEMENT PROJECT ROAD CLOSURE

On Sunday, March 1, 2020, Ashton Contractors and Engineers, under contract with the City of Tucson Transportation Department, will close Broadway from Euclid Avenue to Santa Rita Avenue while crews remove two overhead sign structures in the area.

The closure will be in place from approximately 6 a.m. to 2 p.m. Officers will be on-site to help direct traffic around the closure.

Motorists traveling eastbound on Broadway will be directed to turn north on Euclid Avenue, east on 10th Street and south on Santa Rita Avenue to return to Broadway.

Motorists traveling westbound on Broadway will be directed to turn north onto Santa Rita Avenue, west on 10th Street and south on Euclid Avenue to return to Broadway.

During the closure, a traffic shift will also take place. All travel will be shifted to the southside of the roadway from Euclid Avenue to Fremont Avenue. Once the road has re-opened, one lane of travel will be maintained in each direction with a center turn lane.

This schedule is subject to change due to inclement weather or unforeseen circumstances.

The Regional Transportation Authority is a state-established political subdivision within Pima County that collects a half-cent excise tax from the RTA's special taxing district. The tax funds the RTA's 20-year regional transportation plan, which voters in the district approved in May 2006 along with the excise tax. To date, the RTA has invested over \$1 billion in the region to deliver transportation projects and services that improve our region's mobility, safety, economic vitality and quality of life. This project is managed by the City of Tucson. Please visit www.RTAmobility.com for more information.
