TRAFFIC ALERT

BROADWAY – EUCLID AVENUE TO COUNTRY CLUB ROAD IMPROVEMENT PROJECT

WORK BEGINS FROM CAMPBELL AVENUE TO COUNTRY CLUB ROAD

On Sunday, April 19, 2020, at approximately 6 a.m., eastbound travel on Broadway between Campbell Avenue and Stewart Avenue, just west of Country Club Road will shift to the north side of Broadway. This traffic shift will allow work crews to begin improvements on the south side of Broadway between Campbell Avenue and Country Club Road.

The travel configuration on Broadway through the entire construction zone from Euclid Avenue to Country Club Road will now be one lane in each direction with a dedicated center turn lane.

The Broadway Improvement Project from Euclid Avenue to Country Club Road began in mid-January. The project includes widening the roadway to six travel lanes, landscaped medians, buffered bike lanes, sidewalks, multiple HAWK pedestrian crossings, and bus pullouts. A 96-inch diameter underground storm drain system will be constructed throughout the project limits. The project is scheduled to be complete in September 2021.

During construction, share the road with bike signs will be placed along the project. Bicyclists are urged to use a parallel, low-stress corridor. Transit riders can receive information on bus stop relocations and detours at www.suntran.com/alerts.php or contact Sun Tran customer service directly at [\(520\) 792-9222](tel:5207929222).

The Regional Transportation Authority is a state-established political subdivision within Pima County that collects a half-cent excise tax from the RTA's special taxing district. The tax funds the RTA's 20-year regional transportation plan, which voters in the district approved in May 2006 along with the excise tax. To date, the RTA has invested over \$1 billion in the region to deliver transportation projects and services that improve our region's mobility, safety, economic vitality and quality of life. This project is managed by the City of Tucson. Please visit www.RTAmobility.com for more information.
