

Broadway Boulevard, Euclid to Country Club,

Citizens Task Force Mission Statement, Approved 8/30/2012

The Broadway Boulevard CTF has been formed by Mayor and Council to work with the Project Team to evaluate and select alternatives and develop stakeholder supported recommendations regarding:

- roadway width and location of any widening to the north and/or south of the current roadway,
- roadway cross-section and back-of-curb streetscape designed for all users and modes of transportation, and
- an overarching context-sensitive street design addressing the relationship between the street and its adjacent development and uses.

Task Force members will help provide effective communication between the neighborhoods, businesses, and stakeholders they represent and the Broadway Boulevard Project Team.

This project is funded by the City of Tucson, Pima County and the Regional Transportation Authority (RTA), and is part of the voter-approved, \$2.1 billion RTA plan that will be implemented through 2026. Details about the plan are available at www.RTA-mobility.com.
